Fuel Surcharge

Fuel surcharge will be calculated from a starting base rate of \$3.00 a gallon. Fuel increase will be calculated on a weekly schedule Monday – Friday. Price will be averaged for the week and applied to the haul. A 1% increase of the bid haul rate will be added for every .10 cent increase in fuel costs.

Example:

Base Fuel Rate \$3.00
 Weekly Fuel Average \$3.60
 Fuel Increase .60
 Surcharge Percentage 6%
 Haul Rate (\$2.00) example per ton
 Material Hauled 25 Tons
 Billing for Haul Rate \$50
 Surcharge \$50.00 x 6%
 Total Bill for this Billing \$53.00

Base Rate \$3.00
